

THERMOFORMING

TRANSPORT TRAYS

Cost and Transport
Efficiency

- **3D design of the solution**

- Volume optimization (units per pallet)
 - Suitable for (rack, box, KLT, pallet)
- Parts protection
- Multi-Reference design
- Automatization system
- Ergonomics - handles
- Stackability

- **Materials**

- HDPE, ABS, ABS/TPU, ABS/PC, TPU/ABS/TPU, HIPS, PC and recycled version
- FR and ESD

- **Coloured side band**

- **Sustainability**

- 100% recyclable 
- Reusable and durable
